

# Transforming Space 2007

## Student and New Space Professional Opportunities

Nov. 5-8, 2007 | Sheraton LAX, Los Angeles, CA

Be seen and be heard! Students and new space professionals\* are invited to network with today's space enterprise industry leaders and learn about current pressing space issues at the California Space Authority's Transforming Space Conference, California's leading space policy and industry event. CSA is now offering special rates and events for students and new space professionals. Launch your career today! Register at: <http://www.californiaspaceauthority.org/conference2007/>

### EVENTS

•**Student Day | Free for Students | Tuesday, Nov. 6, 8:30 a.m.-5:30 p.m.**

Students enjoy one-full day at California's leading space policy and industry conference. Learn about today's issues in civil, commercial and national security space. Speakers include: Lt. Gen. Hamel, Commander of Space and Missile Systems Center and Elon Musk, CEO of SpaceX.

•**New Space Professionals Roundtable and Pre-Space Style 2007 Reception**

**FREE for ALL | Tuesday, Nov. 6, 6:30-8 p.m.**

An event catered to young professionals, but all are invited, join us for refreshments, networking and our roundtable discussion. Learn about CSA's New Space Professional\* Working Group and how you can join the only group that provides you access to California's space leaders.

•**Space Style 2007: A Giant Leap for Couture**

**FREE for all | Tuesday, Nov. 6, 8 p.m.**

An event that's literally out of this world, join us for an evening of space fashion couture. Enjoy music, drinks, and light refreshments in our space-themed lounge. Our space style will take you to new worlds.

•**Education Day**

**\$195 | Thursday, Nov. 8, 8 a.m.-5:30 p.m.**

CSA is offering a one-day special for those interested in attending the education and workforce-development panels. Learn and participate as we discuss how to educate and transform tomorrow's space workforce.

•**SpotBeam Award Dinner**

**\$125 | Thursday, Nov. 8, 6 p.m.**

The only place like it, the California Space Authority honors leaders in all space sectors for a special award dinner banquet. Meet and be part of space history.

**PRICE**

Partial Conference Rates:

•**"Student Day," Tuesday, Oct. 6 – FREE**

•**"Education Day," Thursday, Oct. 8 - \$195**

Full Conference Rate:

•**Students & New Space Professionals: \$395 (does not include SpotBeam Award Dinner)**

**Register Today!** <http://www.californiaspaceauthority.org/conference2007/>

\*Currently defined as those who have recently entered the space workforce within the past seven years.
